

# ARE YOU A CANDIDATE FOR PULSEWAVE?

When you aren't satisfied with your love life, it can be incredibly frustrating. You may feel embarrassed about not being able to perform like you used to, worried about how this will impact your relationship with your partner, or even insecure about your masculinity.

If you suspect you may have performance problems, you don't have to continue to feel unsatisfied with your sex life. PulseWave is a non-surgical procedure that uses high-frequency acoustic waves to improve blood flow to your penis, enhancing your sex life, and reversing the symptoms of erectile dysfunction.

But how do you know if PulseWave is right for you?

In this guide, we'll break down six signs you could be a candidate for PulseWave, as well as how the in-office treatment can restore your confidence in as little as 20 minutes.

## 6 SIGNS YOU COULD BE A CANDIDATE FOR PULSEWAVE

Struggling to get and maintain an erection

Relying on medications for sexual activity

Unhappy with your sexual performance

Decreased sex drive

Decreased sensitivity

Symptoms of Peyronie's Disease

## COULD PULSEWAVE RESTORE YOUR CONFIDENCE?

At The Resurge Clinic, we understand when you aren't able to perform like you want to, it can seriously affect your relationships and your self-confidence. We also know the impact of aging and hormone imbalances goes much deeper than a loss of libido.

PulseWave is our preferred treatment for helping men and their partners experience satisfying sex again. Numerous studies have revealed PulseWave is the most effective treatment for erectile dysfunction available, and even men who don't experience ED benefit from the procedure.

### PULSEWAVE IS PROVEN TO:

- 1 Enhance erections better than medication
- 2 Provide long-lasting results with no downtime
- 3 Treat the root cause of erectile dysfunction and Peyronie's disease
- 4 Improve sexual experience for both you and your partner

Additionally, the treatment **only takes 20-30 minutes.**

We have helped thousands of men regain their confidence, enhance their sexual stamina, and restore their quality of life. Dr. Wusterhausen trained under Dr. Gains, the founder of PulseWave, and is the most experienced sexual wellness doctor in the Dallas-Fort Worth metroplex.

If you experience any of the symptoms mentioned above, schedule a free consultation with The Resurge Clinic. Dr. Wusterhausen will get to know your health goals and create a custom treatment plan to restore your quality of life so you can regain the lifestyle — and sex — you once had.
